Here's a Special Jumbo Issue for all lovers of numbers: *All Number Fill-It-Ins!* These puzzles are solved just like regular Fill-It-Ins, by selecting numbers from the number list for each puzzle and filling them into the diagram, crossing off each number as it is used. While filling in numbers ACROSS, be sure to cross off DOWN numbers that may be automatically filled in at the same time. The number list is grouped according to the length of the numbers, and each group is in numerical order. As a special challenge, the last section of puzzles has no starting numbers.

We know *All Number Fill-It-Ins* will keep you happily entertained in the days ahead, so sharpen your pencil and ...

Good luck!
